1.Overview

Quick Details

Classification: Phosphate

Type: Disodium Phosphate

CAS No.: 7558-79-4

Other Names: DSP,DSPA,DSPD

MF: Na2HPO4.0/2/12H2O, Na2HPO4.0/2/12H2O

EINECS No.: 7635-46-3/10039-32-4/10028-24-7

Place of Origin: China (Mainland)

Grade Standard: Agriculture Grade, Electron Grade, Food Grade, Industrial Grade, Medicine Grade, Reagent Grade, food additive

Purity: 99%min, 99%min

Appearance: White Crystal/powder, White Powder / crystal

Application: food additive, water treatment, Food Additive

Brand Name: DITAI

Model Number: DSP

Product name: DSP

Certification: ISO,HALAH,KOSHER,SGS, ISO9001, ISO14001, ISO22000

Grade: Food Garde

Name: Disodium phosphate

Color: white

2.Used: Water treatment, pH adjustment, food additive

3.Specificity: white monoclinic crystalline powder, odorless, soluble in diluted hydrochloric acid, nitric acid, acetic acid, slightly soluble in water, insoluble in ethanol. relative density: 2.32.
